

WHAT CAN MY LITTLE "MITE" DO?

What can *ONE* person do? What can *ONE* coin do?

These questions can be answered in a very positive way.

One person can put *one* coin in a mite box or mite envelope each day and these coins accumulate.

(If you have a large mite box, you can drop a coin into the box at this point to illustrate.)

Each of us, in our own small way, has collected our little coins. When we all come together and put them together, they become much more, and they can do a lot.

(More coins could be placed into the large mite box.)

Over the years the women who have shared their coins have contributed to many mission projects, helping people in our own country and all around the world to know the love of Jesus.

These coins have clothed and fed people, helped missionaries with transportation and publication of Christian materials, and supplied material and support for VBS programs held to spread the love of Jesus. These small coins have done much more and, as long as we continue to collect and share these coins, they will continue to spread the word of God.

Some prefer to place their mite offerings in an envelope once a month, coins, bills or cheque. The giving is blessed, regardless of how it is done.

Deuteronomy 16:17 tells us that *“Each of you must bring a gift in proportion to the way the Lord your God has blessed you”* (NIV). Blessed by God, we can indeed pass these blessings on to others through our mite offerings.

As we give our mites, let us send them off with a prayer that they may continue to do God’s will, making a difference in the lives of those who receive them.

Prayer

Heavenly Father, we give these mites to You for Your glory, and pray that by Your blessing our gifts will make a difference in others’ lives. We pray also that Your Holy Spirit will accompany our mites on their way, and will dwell in the hearts of those who hear Your word. In Jesus’ Name. Amen
