THE LATEST NEWS AND VIEWS FROM LUTHERAN WOMEN'S MISSIONARY LEAGUE—CANADA

January 11, 2016

Happy New Year! After celebrating Christmas and the birth of our Saviour we have entered into the season of Epiphany! May the glorious star that led the wise men to the Newborn King, be our guide as well throughout the year.

## Psalm for January from this year's program planner

Women in LWMLC societies across Canada will be meeting together—joining to study God's Word, to have fellowship with each other and to pray for the mission work going on at home, in our communities and around the world.

Psalm 51 is the scripture focus in the program planner, *Spice Up Your Meetings*, for January. "Create in me a clean heart, O God..."; words we speak every week during our worship time, often following the sermon. We know that God, and only God, can make our hearts clean and restore us to Himself. We encourage you to use the psalm, the accompanying devotion and mite

litany during your meeting.

The full program planner can be found on the LWMLC website (<http://www.lutheranwomen.ca/productsresources/program-planner>) and the Psalm 51 devotion only at <http://www.lutheranwomen.ca/wp-content/uploads/2015/11/Spice-Meetings-Psalm-51.pdf>.

The Christian Growth committee is always looking for your feedback regarding the materials being produced. Do you use the program planner in your society? If you do, have you enjoyed the focus on the psalms for the 2015-2016 season? Is there some other format you would like to see developed? You're encouraged to email [vpchristiangrowth@lutheranwomen.ca](mailto:vpchristiangrowth@lutheranwomen.ca) with your opinions.

## "Feel the Burn" expands the triennium theme in new prayer service

The new 2016 prayer service created by Central District is now available for your use! We thank them for sharing it with all of LWMLC. **Feel the Burn** as the Holy Spirit will **Fan into Flame the Gift of God** has been created to assist you as your societies or zones meet in prayer.

At times it can be difficult for some zones to accommodate the schedule of their counsellor or the

host pastor, therefore this service may be lay led. A sermon has not been provided, nor is one necessary but if a pastor is involved he is welcome to insert one. This service, like all LWML—Canada materials has received doctrinal approval.
