### *Team chosen for hands-on mission trip to Nicaragua*

A team of eight women with lengthy ties and service to LWMLC was chosen to help the women of Nicaragua to be better equipped in living their faith and sharing with others.

The projected date for the trip is the first week of December, 2016.

Since all women are responsible for the expenses for the trip let us pray that the Lord opens doors to reach their financial requirements.

Also pray for the good health of all applicants and their families and for God's favour on this event.

Applications are now closed. In the event one of the selected participants is unable to take part in the trip, we will call for other applicants.

### *New Christian mission materials available*
