May 17, 2016

Mission Opportunity Fund provides money for two more ways to share the Good News

WOW conference receives funding

General Council approved a \$1,500 grant from the Mission Opportunity Fund for a *Women of Worth* conference. This conference takes part in the northern Saskatchewan town of Pelican Narrows with an objective of helping First Nations women understand their value in Jesus Christ, knowing they are loved and cherished by their heavenly Father. LWML-Canada members Arlene Kish and Renate Bishopp will travel to the remote area on May 20 to observe and lend a hand. We give thanks to God for the opportunity!

Learning how to reach out to other cultures who have come to Canada

LWMLC has been invited to attend the **Intercultural Church Workers conference** June 23-25, 2016, at Our Saviour, Etobicoke, Ontario, for which General Council granted \$1,500 from the Mission Opportunity Fund. Christian Mission committee member Barb Jurgens is willing and honoured to represent LWMLC. Her registration fee has been waived by the organizers.

Sister to Sister team begins planning

The Sister to Sister team to Nicaragua met online with Dr. Leonardo Neitzel of Lutheran Church-Canada. He shared the ongoing work by LCC/LWMLC in Nicaragua to pave the way for this mission trip and to establish a program.

We now have an itinerary and a budget, a Bible study idea, and other information aimed to help the women of Nicaragua support each other and be active in their church. A craft reflecting this idea will be developed. Prayer buddies within LWMLC and with women in Nicaragua are to be found. Stay tuned for more details on how you may be involved.

Mite update

According to Rachel Kuhl, LWMLC Financial Secretary our little Mite is still lonely! It badly wants company!

To the end of April:

Mites received: \$ 69,265.58

Budget: \$ 77,551.86
