Visit the Holy Land

The deadline of July 23 to sign up for a trip to the Holy Land with Ian Adnams is fast approaching and space is limited. This is a great opportunity to travel with LWMLC sisters. Other family members are also welcome. For details visit [visittheholylan.d.ca/tours-2/Lutheran-women-2016](http://www.lutheranwomen.ca/tours-2/Lutheran-women-2016).

Get Connected, Summer 2016

The latest issue of *Get Connected* with information and ideas for societies and their leaders is now posted at www.lutheranwomen.ca/wp-content/uploads/2016/06/GC_Su_16_final-web.pdf. A print copy will be mailed to each society this coming week.

LWML-Canada Sunday 2016

New materials to help societies and their congregations give thanks to God for the blessings of LWMLC are now posted online at www.lutheranwomen.ca/serve/lwml-canada-sunday. A

letter with details is included in the summer issue of *Get Connected*. Many of the items are available in hard copy or by e-mail if you prefer. One item that couldn't be posted on the website and can be ordered by e-mail is a powerpoint slide to use as background for those who project their service on screen.

An information letter will soon go out to pastors but societies are encouraged to talk with them very soon about plans. Church office secretaries will appreciate being able to download needed items from the website.
