**Update regarding grant to youth gathering**

H<sub>2</sub>O – Lutheran Church-Canada's national youth gathering is just days away!  
LWMLC's grant is helping to make possible this memorable event for LCC's young people. We pray that God may grant all participants safe travel, a refreshing and playful time near the roaring waters of Niagara Falls and joyful fellowship with other LCC youth and leaders. May our young people drink deeply from the fountain of His word, forge wonderful friendships and

lasting memories and return home filled with the power of the Holy Spirit.

LWMLC will also have an exhibit at the gathering, some powerpoint slides that will be shown each day along with those of other sponsors and two district presidents, Arlene Kish and Janice Buchner, are busily preparing a presentation for small group sessions. Please include them in your prayers.
