

Lutheran Women's Missionary League
UPDATE

THE LATEST NEWS AND VIEWS FROM LUTHERAN WOMEN'S MISSIONARY LEAGUE-CANADA

September 21, 2016

Mites head off to seminary

Thanks to God's amazing grace and the generosity of the members the Lutheran Women's Missionary League-Canada we are able to provide payment for the second instalment of the three-year grant of \$15,000 for a technology upgrade at Concordia Lutheran Seminary, Edmonton, Alberta. May God richly bless the advances of modern technology for the benefit of pastoral students and their future congregations and for the spreading of God's Word, at home and abroad.

*Renate Bishopp
VP Christian Mission*

Please issue an invitation

On LWML-Canada Sunday our societies usually share our joy and excitement about grants to mission projects and our many service projects done in God's name. Let's also tell about the excitement when a new issue of Tapestry arrives, the enjoyment and growing in faith that comes from reading the articles and doing the Bible studies. In doing so, include an invitation to all the women of your congregation to consider subscribing. They will find the cost quite reasonable, especially if you include them in your society order.

For details visit <http://www.lutheranwomen.ca/publications-and-forms/tapestry>.

Resources available on website

Each month the Christian Growth Committee provides a devotion and a prayer calendar at <http://www.lutheranwomen.ca/grow/devotions> and <http://www.lutheranwomen.ca/grow/prayer>. The October devotion (Give Thanks with a Grateful Heart) and prayer calendar (focus on giving thanks) have already been posted.

Get Connected, fall 2016, now available

A copy for each society is in the mail. Please share the contents with everyone in your group. If any of them have an e-mail address, provide them with this link for a full colour version and to save you copying costs. (<http://www.lutheranwomen.ca/publications-and-forms/get-connected>)

Check out how 2012 mission walk money is being used, what is happening regarding the resolution to determine how a virtual society might be set up, take a fresh look at leadership, learn what LWMLC did at the national youth gathering (besides providing a mission grant) and more. The contents will inspire you.
