## Watch for God's gifts at work

God gives many gifts to His people. One of His gifts to LWML-Canada is a webmaster, Lydia Parker, with many creative ideas to keep our online presence interesting and informative.

A new look is coming! Mark your calendar and take a look at [www.lutheranwomen.ca](http://www.lutheranwomen.ca) on May 8.

A fresh home page, a revised menu and a new way to incorporate our districts...

...but the same familiar content.

The changes to the website will make the content easier to read on cell phones and tablets. The new menu will make items easier to find for both LWMLC women and women outside our organization.

The transformation will take place behind the scenes during the first week of May with the improved website coming online on May 8. Please pray for a smooth transition as our webmaster moves from old to new.
