### **Tara Lyn Hart provides the keynote address**

Tara Lyn Hart is a Canadian singer/songwriter who loves music almost as much as she loves being a mom. At 18 years old her childhood dreams came true when she signed a record deal with Sony Music Canada, but after a few years of recording and touring she realized that God's plans are always the best plans, even if they aren't quite what you had in mind (and even if they don't include being a recording artist).

God's plan for Tara has included many exciting twists, including teaching voice and

drama, writing music, fostering and adopting, moving to Australia for almost four years, and the blessing of a child with Down syndrome!

If you would have told Tara 21 years ago that she would be married to a pastor and have five kids she would have laughed very hard, but she thinks it's amazing how God has blessed her with exactly what she needs in her life.

She is looking forward to her time with you in Winnipeg at the LWMLC convention this July.

- C-18-09 - 25th Anniversary Placemat
- C-18-10 - 25th Anniversary Placemat to colour

The first features the logos of all conventions beginning with the Founding Convention plus information of interest. The second features a colouring section designed by Becky Wandio and her husband surrounded by highlights from previous conventions.

### **Use the convention poster to greater advantage**

If you have not put yet up posters, there is still time. Visit the website now and download a copy. If you are looking for a unique place to put posters, consider where women spend time at your church. You might try on a cupboard door in the church kitchen or in the ladies' washroom.

**Placemats, posters and more can seen at and downloaded from <https://lutheranwomen.ca/events/25th-anniversary>.**
