

ABC District LWMLC Convention June 20 – 22, 2018

Are you coming? I hope so!

We are planning a variety of mission service activities for all skills and levels.

We will be giving knit We Care Bears, knit dolls, knit scarves and knit toques to Children's Cottage in Calgary who will also be the recipient for the Ingathering items.

The We Care Bears and Malawi Comfort Dolls are to be knit prior to convention. **The pattern for the We Care Bears and Malawi Comfort Dolls can be found on a separate page in this Flashlight, or you can find it on the CLWR website at**

<https://www.clwr.org/sites/default/files/documents/We%20Care%20Knit%20Teddy%20Bear%20Instructions.pdf> . Stuffing for the bears and dolls will be available at the convention. We need to know how many bears and dolls will be coming to convention so we know how much stuffing we need. Please email Penny Bobier at rpbobier@shaw.ca by February 14th (Valentine's Day ☺) with the # of bears and dolls you will be bringing. Don't forget to ask congregation members to help with this activity! Make it a 'family' event!

During the mission service activity time we will be stuffing the bears and dolls and loom knitting the scarves and toques (you can also bring pre-knit scarves and toques for the ingathering). For the loom knitting, please bring 1 or 2 balls of yarn and a loom if you have one to make the toques and scarves. There will be a limited quantity of looms available at the convention site for those who would like to do this activity. Skill level for loom knitting is low...I can't knit, but I can make a toque on the loom! And my tension is perfect! **Toque pattern can be found on a separate page in this Flashlight.**

Guess What? We even have something planned that you can take with you! For a small fee we will provide you with decorating materials and an item to decorate. The fee will be given to our Mission Grants and you get a souvenir! **Watch for more to come on this, the doll pattern and the ingathering list in the next issue of the Flashlight.**
