Please discuss within your societies prior to the convention the following resolution:

MISSION OPPORTUNITIES FUND

WHEREAS Lutheran Women’s Missionary League–Canada exists to support Lutheran Church–Canada in its mission and ministry, and

WHEREAS one of the ways in which this is done is the gathering of mites to support the outreach of Lutheran Church–Canada, both within Canada and in other parts of the world, and

WHEREAS specific projects are chosen at each triennial district and national convention with mites being gathered throughout the triennium to support these projects, and

WHEREAS during the past several trienniums monies designated for a number of projects that have been chosen at Laurentian District conventions have, for various reasons, not been requested, be it

RESOLVED that, as in the past, an amount for mission projects be budgeted, but rather than have a number of projects there be only one titled Mission Opportunities Fund and all requests for financial assistance be made through this fund. The criteria would remain as it is with the projects directly supporting Lutheran Church–Canada’s outreach and for which there aren’t other funds available, and be it finally

RESOLVED that the Laurentian District of Lutheran Women’s Missionary League–Canada assembled in convention April 26-27, 2019, adopt the Mission Opportunities Fund as the fund through which all projects are requested.
