CORRECTION:

In the fall issue of Tapestry which will be in the mail to subscribers next week there was an error in reporting. The article should read:

Special donations for Costa Rican youth

Monies (\$2,623.75) raised by special donations on LWMLC Sunday 2017, were earmarked to assist youth from Costa Rica to attend the youth gathering in Nicaragua. They could not be used at the time, but now will be sent for this summer's gathering.
