...for Deaconess Support Cambodia

\$5,640
All knowing God, we can not be everywhere to preach and teach your Word. In Cambodia fifteen deaconesses are dedicated to teaching women and children about Jesus. Bless these deaconesses as they serve you in helping women in family conflict, feeding the hungry and giving aid to the sick. Bless the small stipend the deaconesses are given. Bless the resources provided to share the Gospel. Bless the food and medicine they help provide for those in need. Let your mighty mites serve your purpose in Cambodia, Lord. Amen.

Hearing Lord, You have blessed us with gifts we take for granted. You hear our every prayer. Bless the use of interpreters in the Fraser Valley Zone. Let all our mites bring you joy Lord, especially in the work being done in the Fraser Valley Zone to provide interpreter services at zone rallies, meetings, Bible studies, and renewals. Thank you for the Holy Spirit, who guides the work of the LWMLC in the Fraser Valley as they seek to serve the deaf community. Bless the mites that will support the Communication between the Deaf and Hearing Project in this triennium. Amen.

...for the theological education for the fifteen Deaconesses of Cambodia.

Dear Lord, we ask for your blessings on this grant that it will help cover the costs of transportation, room and board and course materials for four seminars for the instructors and deaconesses. May it better equip them to serve the needs of the church there especially in their role of teaching Bible studies to women and children. In Jesus's name. Amen.
