**SERVING HIS PURPOSE: in the body of Christ**  
**Submission deadline: February 1, 2020**

It's that time again. We're looking for content for the summer 2020 issue of Tapestry. Let us put you in the big picture. Over the next four issues we plan to focus on "Serving God's Purpose" from four different aspects. The first, this one, will look at how we serve and encourage fellow Christians. The second will look at our serving beyond the church and into our community. Then we will examine, together, our calling or vocation as we serve. Finally, we will consider how we serve His purpose through prayer.

Our main need for the summer issue is for articles to encourage and bless others as we walk together, in worship, in fellowship, in families. You may use the following ideas or something else related to the overall theme.

- Bringing glory to God's name as we use a God-given talent.
- As Christians we are many parts of one body, they body of Christ; what evidence of this have you seen?
- Consider one or some parts of our spiritual body that often go unnoticed or don't seem "spiritual."
- When we consider the body of Christ, it's all about Jesus.

Or consider a seasonal contribution, some artwork, a craft idea, a poem...
