

## SERVING THE LORD FROM HOME

Servant Events for the 11th National Convention, July 8-11, 2021, may be done from the comfort of your home. Among these mission service activities you will find something that suits your gifts and abilities whether living in rural or urban communities. Your society can choose one, a couple or all. Either way the Lord has a purpose and a way to reach out to those who need to see and hear that our gracious Lord cares for them.

### BOTTLES OF BLESSINGS

Blessings in a Bottle reach out to the homeless and shelters. The homeless run a great risk of dehydration. Fill a water bottle with hygiene essentials such as socks, lip balm, hand lotion, etc.

You can purchase a water bottle (Dollar Store). It should have a wide mouth of at least 2 ½" to fit a variety of items.

Here are some of the items you might include:

- 'Hot Hands' hand and body warmers
- Warm thermal socks
- Band-aids and packets of pain relievers  
(check with your local shelter if they will accept)
- Chap stick
- Lotion
- Soft foods like Nutrigrain Type bars  
(many homeless suffer from dental issues)
- Hot instant drink mixes that only require hot water  
(they can often get this for free from gas stations)
- Flavoured water drops (Mio, Dasani etc.)
- Personal anti-bacterial wipes
- Feminine Hygiene Products
