

TAPESTRY THEMES FOR WINTER 2021 AND SPRING 2022

WINTER 2021

ON MY HEART IMPRINT YOUR IMAGE

Deadline: August 1, 2021

Our 2021 convention theme is “Christ Lives in Me.” Drawing from that we seek ways in which our own faith is nurtured and ways we can nurture the faith of others—our children, our grandchildren, our sisters and brothers in Christ. Here are some ideas for that nurturing.

- The catechism or Scripture set to music—share your experience of using what someone else has created or that you have put to music. What discoveries have you made along the way?
- Memorization can later provide comfort or bolster your ability to share what you believe.
- Perhaps you have found some particular resources or ideas helpful and want to tell others about them.
- Does one of the convention hymns speak to you?
- Have you done any research on why the Lutheran church has been called the singing church?
- Perhaps you would like to write about a hymn that is special to you. Please remember copyright. There is a list of copyright holders in the back of the Lutheran Service Book so you can obtain permission if required.
- If our theme sends you in a direction not mentioned here, we encourage those submissions as well.
- You might also consider submitting something seasonal: an article, a craft with a spiritual purpose, a poem...

Send your submissions to Editor-in-Chief Marion Hollinger at tapestry@lutheranwomen.ca or 223 - 250 Hunter Road, Saskatoon, SK S7T 0Y4.

SPRING 2022

DISCOVERING JOY IN SERVICE

Deadline: November 1, 2021

In the summer and winter 2021 issues we looked at how Christ’s living in us may be nurtured. In the fall 2021 and this spring 2022 issue we move to something more action oriented. If Christ lives in us, when we act, He acts through us in our daily life, as individuals and acting together, as we serve others for Him. Use the following thought-starters or let the theme take you in a different direction.

- The letters JOY can represent the words *Jesus, Others, You*; how does this order provide balance and strength to serving or caregiving?
- As Christ lives in you, how is He/and you using your time, talents and treasures?
- Who do you know that radiates the love of Christ as they serve? How has that impacted your life? Or the life of the congregation? Or your community?
- Be joyful? Who me?

Or consider a seasonal contribution for this summer issue: an article, a craft, a poem...

Send your submission to editor-in-chief, Marion Hollinger at tapestry@lutheranwomen.ca or 223 - 250 Hunter Road, Saskatoon, SK S7T 0Y4.
