### NEW BOOKMARK

A great "give-away" item for LWMLC Sunday or anytime you may wish to invite interest in LWMLC.

Print page 2 on the back of page 1. Using a paper cutter, trim off the white on the edges and then cut each page into 8 bookmarks.

Lutheran Women Sing – A package of over 50 songs and hymns in sheet music format that have been written by members and Pastors especially for LWMLC. They can be used at conventions, LWMLC gatherings, or for private enjoyment. The cover looks familiar, but this package includes the latest convention entries along with the old standards. Order free of charge and update your song list with the new entries, or have the entire copy of songs at your finger tips.
