LET US PRAY

Heavenly Father, thank-you for bringing students to First Lutheran Academy. Bless the work of the teachers who share the Word of Christ and teach about Jesus, our Saviour. In this world where technology plays a growing role, bless also the use of the iPads to be purchased, that they are used to bring glory to Your name. In Jesus' name we pray. Amen.

Mission Grants INFO and PRAYERS

First Lutheran Academy was established in 1995. The academy endeavours to help each child to grow spiritually, emotionally, intellectually, socially and physically to the best of their God-given ability.

Technological supports are increasingly important in the classroom for the benefit of the students, teachers and children with special needs. Additional technological resources offer new opportunities for hands-on and audio/visual learners in all subjects and at all grade levels. Added technology in classrooms also increases appeal to prospective families so the Word of Christ may be spread further. Funds from this mission grant will be used to purchase iPads for classrooms.
