LET US PRAY

Heavenly Father, we give thanks for the members of Mount Olive Lutheran Church who hold an annual clothing give away for those less fortunate in the area around their church. We ask your blessing on the Bibles, catechisms and other Christian material they provide to the unchurched and those in need. This we ask in Jesus' name. Amen.

Each year Mount Olive Lutheran Church in Regina, Sask., hosts a clothing give away and hotdog lunch. As many as 276 have attended the event.

In addition to clothing and linens, a table of free children's books and free Bibles and Small Catechism booklets is available. A new resource, "A Simple Explanation of Christianity," will be an added resource in 2024. Volunteers, including the pastors of the congregation, are available to talk and pray with those attending.

Mount Olive is located in a mid to low socioeconomic area making it a good location for reaching those in need. Funds will be used to replenish the supply of Bibles and purchase the new resource.
