Mission Grants INFO and PRAYERS

**TECHNOLOGY UPGRADE,
CONCORDIA LUTHERAN
THEOLOGICAL
SEMINARY
ST. CATHARINES, ONT.
\$7,500**

LET US PRAY

Heavenly Father, we know “the harvest is plentiful but the workers are few” (Matthew 9:37 NIV) so we pray that this mission grant will allow for future workers to learn from afar and for the seminaries to share resources. All this we ask in the name of Jesus. Amen.

The two seminaries of Lutheran Church–Canada are committed to working together to prepare pastors and deacons for the church’s mission. For the past fifteen years this has involved sharing classes through internet video-conferencing.

This interaction allows students and faculty at both ends of the country get to know each other, increasing harmony within the church. Relying on these shared classes each seminary is also able to manage with a slightly smaller faculty.

Funds will be used by the seminary in St. Catharines to upgrade video-conferencing equipment in classrooms, meeting spaces and for recruiting efforts in this triennium.

Prepared by the Christian Mission Committee of Lutheran Women's Missionary League–Canada, Inc.
