Mission Grants INFO and PRAYERS

ETHIOPIAN MINISTRY AND OUTREACH

This mission grant of \$21,000 will cover travel and ministry expenses enabling Lutheran Church–Canada to continue providing this ministry to Ethiopian communities within Canada and in Israel.

LET US PRAY

Heavenly Father, we praise and thank You for bringing this mission field to Canada, to our backyard. Bless this mission grant as it enables the pastors and workers to continue bringing Christ to those communities.

In your Son's name we pray.
Amen.

Lutheran Church–Canada has been doing outreach among various Ethiopian communities across Canada for several years. This fruitful outreach ministry has become LCC's largest domestic mission field. It has established two rostered congregations, five mission stations, three rostered pastors, and two pastors currently in the colloquy process. The outreach has also lead several individuals into established LCC congregations.

This ministry has also opened up international mission opportunities, particularly in Israel where LCC has started outreach work among the large Ethiopian community, establishing a new mission station in Tel Aviv in 2022.
