Mission Grants INFO and PRAYERS

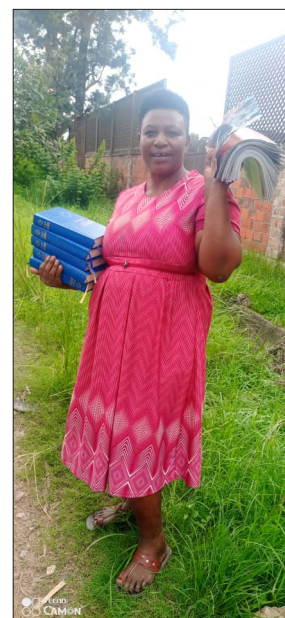

FRENCH LITURGY FOUNDATIONS \$3,735

LET US PRAY

Heavenly Father, we know how important it is to learn about You in the Word and liturgy in worship. It is also important to learn about it in our own heart language. Bless the work of getting materials in French for those for whom it is a first language, here in Canada and abroad. In Your Son's precious name we pray. Amen.

Liturgy education materials, available through The Lutheran Church–Missouri Synod will be adapted and translated into French. The material will be posted on Lutheran Church–Canada's French website and distributed to francophone Lutherans using the distribution channels developed by the Viens et Vois Jesus (Come and See Jesus) Sunday school material project.

Materials include Kids in the Divine Service leaflets, liturgy explanations and Christian symbols with explanations. While being developed for use by French-speaking Canadians, the materials will be well used in many French-speaking parts of the world. English versions of these materials can be seen on the LCMS website.
