Mission Grants INFO and PRAYERS

**JOINT RETREAT
FOR FACULTY
AT TWO LCC
SEMINARIES
\$4,000**

LET US PRAY

Heavenly Father, bless the unified effort of the seminaries in preparing workers for Your ministry. May their joint retreat in 2025 bear much fruit as they strive for the very best training for the church's pastors. In Your Son's name we pray. Amen.

The two seminaries of Lutheran Church–Canada work closely together to prepare pastors and deacons for the church's mission. For joint teaching to work well, it is important for the faculty to work together on a harmonized curriculum and to develop a unified approach to seminary education. This is achieved through regular joint faculty meetings. However, having an extended period of time together in person is more productive. The last joint faculty retreat was held in 2020.

This mission grant will assist with the cost of accommodation, meals and travel for a retreat in 2025.
