## **Come, Ye Thankful People**

Harvest is a time to be thankful for bounty. It is also a time to hold on when the harvest isn't great. How does this relate to the harvesting Christ calls us to do?

The greatest harvest will be the souls of believers when Jesus returns and takes us home to be with Him. Share an experience or a lesson learned as a worker in the harvest.

Help readers see a variety of ways we give thanks to God or describe in more detail one way someone might show Jesus the love and thankfulness, not just at Thanksgiving but at any time. Where might such a showing of our gratefulness lead us?

For additional ideas, check out the hymn by the same name, LSB 892. Or consider a seasonal topic. Poetry and other creative forms are welcome.
