

Providing support to seminary students through mission grants, scholarships and more

Women gather in their communities, at conventions and retreats

- to study God's Word together
- to learn
- to encourage.

Women gather to assist their congregation to serve those in need.

Women gather mites to provide grants to those carrying out mission projects in Canada and overseas, most in conjunction with the mission work of Lutheran Church–Canada.

Women gather mites to cover the cost of Christian resources for retreats, seminars, devotions, Bible studies, webinars and more.

MISSION GRANT PROPOSALS needed

It is not too early to start thinking about mission grants for our next triennium! Proposals are due by October 31, 2026.

Consider your project idea:

- does it focus on people, programs, Christian materials, bricks and mortar?
- does the mission extend the ministry of the Word and God's kingdom, communicating the Gospel to those who have not heard the Good News of Jesus Christ?
